THE YOUNG PURSUER

Tune: Wabash Cannon Ball

Beside a Korean Waterfall, one bright and sunny day
Beside his shattered Sabrojet, a young pursuiter lay
His parachute hung from a near-by tree, he was not yet quite dead
Now listen to the very last words this young pursuiter said

I'm going to a better land,
Where everything is bright,
Where whiskey flows from telegraph poles
Play poker every night

There's never anything to do
But sit around and sing
And all the crews and women.....
Oh death, where is thy siting?

Oh death where is thy sting ting-a-ling
Oh death where is thy sting
Where all the crews are women
Oh death where is thy sting.

Ting-a-ling-a-ling-ling, Blow it out your ass, (Three times)
Better days are coming by and by.

THE SABRE SONG

It was midnight in Korea, all the pilots were in bed
When up stepped Colonel _____, and this is what he said:
Sabres--gentle Sabres--Sabres one and all
Sabres--gentle Sabres gentle pilots--and all the pilots shouted "Balls"
When up stepped a young Lieutenant, with a voice as harsh as brass
"You can take those God damn Sabre Jack
And shove them up your ass.

(CHORUS)

Oh Halleluia! Oh Halleluia!
Throw a nickle on the grass, save fighter pilot's ass,
Oh Halleluia! Oh Halleluia!
Throw a nickle on the grass, and you'll be saved.

I was cruising down the Yalu--going six-twenty per
When I gave a call to the Major, "Oh, won't you save me sir!"
Got three big flak holes in my wing, my tanks ain't got no gas
MAYDAY MAYDAY MAYDAY!, There six Migs on my ass. (CHORUS)

I made my traffic pattern; to me it looked all right
I turned onto the final-- My God, I raked it tight
My airspeed read one-thirty--the engine gave a wheeze
MAYDAY MAYDAY MAYDAY!, Spin instructions please. (CHORUS)

Fucked up my crosswind landing; my left wing hit the ground
there came a call from the tower: "Pull up and go around!"
I raked that sabre in the air, a dozen feet or more
The engine quit, I almost shit, the gear came through the floor.
(CHORUS)

THE TINKER

The lady of the mansion, was dressing for a ball when she espied a tinker, pissing up against the wall.

(CHORUS)

With his great big kidney wiper and balls as big as three and a yard and a half of foreskin hanging down below his knee.

The Lady wrote a letter and in it she did say,
I'd rather be fucked by the tinker than my husband any day.

Oh the tinker got the letter and when it he did read,
His balls slung o'er his shoulder and his penis by his side.

Oh, he rode up to the mansion he rode up to the hall,
For' Blyme? said the butler he has come to fuck us all.

Oh, he fucked them in the parlor he fucked them on the beds,
Lord save us? Cried the chambermaids, We've lost our maidenheads.

Oh he fucked the Duchess standing he fucked her against the wall,
But when he fucked the butler twas the dirtiest trick of all.

Oh, he rode out from the mansion he rode into the street.
With little drops of semen pattering at his feet
Oh, the tinkers dead and buried I'll bet he's gone to hell
He said he'd fuck the devil and I'll bet he's done it well.

LITTLE RED LIGHT (My Blue Heaven)

A turn to the right, a little red light, will lead you to my
Red Heaven.

You'll see a smiling face on a pillowcase, a form divine.

Just a little old whore who's been screwed before.

A thousand times.

Just Molly and me, there'll never be three.

We're careful in our RED HEAVEN

TOGETHER

We both got drunk together, Took off our junk together
Lay in a bunk together, But it was no joke-- when the rubber broke.

Now we have twins together, for we have sinned together

Now trade it from me, keep good company and keep both your legs together.

TUNE--CLEMINTINE

Cigarettes, Chocoletoes, Chewing gum---HAVA NO

Shibi shibi, no presente

Sayanaro, come again.

OUTHOUSE SONG

Please don't burn our shit house down, Mother will surely pay
Father's away on the old Yalu, Sister's in the family way
Brother's has the social disease, Times is fucking hard
So please don't burn our shithouse down, or we'll have to shit in the yard

OLD GREY BUSTLE (Grey Bonnet)

Put on your old grey bustle and get out and hustle, For tomorrow the room rent's coming due. Put your ass in clover let the boys look it over, if you can't get "5" take "2".

Put on those old pink panties, that used to be your aunties, and we'll go for a tussle in the hay. Now there's no use ducking, cause you're going to get a fucking, in the good old fashioned way.

Put on that old blue ointment, the crabs disappointment, and we'll kill those bastards where they lay. Though it itches and it scratches It'll kill those sons-o-bitches in the good old fashioned way.

CATS ON THE ROOF TOIS

The hippopotamus so it seems, seldom if ever has wet dream but when he does he comes in streams, as we

(CHORUS)

Cats on the roof tois, cats on the tiles, cats with the syhillis cats with the piles, cats with their ass holes wreathed in smiles as we revel in the joys of copulation

Down in the Pampas, in the grass, Mamma Armadillo has an iron bound ass, but Pappa Armadillo has a prick of brass, as we

Way down south where the alligators roar, there isn't such a thing as an alligator where, because all the alligators are to sore as we---
WHORE

Now the donkey on the common is a jolly old bloke, he very, very seldom gets his poke, but when he soes he llets it soak, as we----

Oh the ostrich is a funny old dick, it isn't very often that he dips his wick, but when he does, he dips it quick, as he revels in the joys of copulations.

BLOODY GREAT WHEEL

An airman told me before he died, and I don't think that the bastard lied, that he had a wife with a cunt so wide, that she could never be satisfied.

So he invented a prick of stool, driven by a bloody great wheel Two brass balls all filled with cream, and thwwhole fucking issue was driven by steam.

Round and around went the bloody great wheel, in and out went the prick of steel, until at last the maiden cried, enough, enoughed I'm satisfied.

But now we come to the bitter bit, there was no way of stopping it she was split from her ass to her tit, and the whole fucking issue was covered with shit.

Oh the 33/ is a very fine squadron, their pilots are all true blue, but they bring back drawers that smell like dogshit from the dogfights at old Sinanju.

O'RILEY'S DAUGHTER

As I was sitting in O'Riley's taver, listening to the tales of
blood and slaughter came a thought into my mind why not shag O'Riley's
daughter

Fiddle-lee-I-ee, Fiddle-lee-I-Oh, Fiddle-lee-Iay for the one ball
Riley, rid-a jif, balls and all, rub-a dub-shag on.

Grabbed that she bitch be the tits, then I threw my left leg over,
Shagged and shagged and shagged some more, shagged until the fun
was over

Came a knock upon the door, who could it be but her God Damn father
Two horse pistols in his hands, looking for the man who shagged his
daughter

Grabbed that bastard by the balls, shoved his head in a pail of water
Rammed those pistols up his ass, damn sight farther than I shagged
his daughter.

As I go walking down the street, people shout from every quarter
There goes the God Damned son of a bitch, the guy who shagged
O'Riley's daughter.

THE MIGH 15

The prettiest ship----out on the line. The Mig 15 flies fast and fine

When we do up--- and fly at noon, the Mig 15 leaps off the moon

On all four planes--- we paint red stars, for mig 15 that land on mars

We chase them up---to fort-four, the Fox 86 ain't got much more

The throttles set---right at full blower.

We'll never catch that little whore

We're coming home----and Casey calls, We're litting down no sweat at all

We're calling in----with 13 chicks, 12 Mig 15s, one Fox 86

The moral of ----this stories clear, When you come home just check
your rear.

Cause if you do-----I'm sure you'lll find, there's takusan Mig 15s behind

ON TOP OF OLD PYONG YANG

On top of old Pyong-yang, All covered with flak.

I lost my poor wingman, He never came back

For flying is pleasure, And crashing is grief.

And a quick-triggered Carmio, Is worse than a thief.

For a thief will just rob you, And take all you have.

But a quick-triggered Commie, will lead you to the grave.

And the grave will decay you, and turn you to dust,

Not one Mig in a thousand, that a sabre can trust,

They'll chase you and kill you, and send up more load,

Then cross tires on a railroad, or Migs overhead,

So come all you pilots, and listen to me,

Never fly to Sinanju, to old Kumu-re,

For the planes they will splatter, and the pilots will die,

You'll stay in Korea, and never more fly,

The point of this story, is plain to the eye,

Stay east of Camp Steenman, and gight bye and bye.

MARY ANN BURNS

Mary Ann Burns was the queen of all the acrobats
She could do the tricks that would give the cats the shits.
Roll green peas from her fundamental orifice.
Do a double flip and catch them on her tits.
A great big son-of-a-bitch twice as big as me.
Hair around her asslike the branch of a tree.
She can swim, fish, fight, fuck.
Roll a barrel, drive a truck.
MARY ANN BURNS is the girl for me (My bloody ass).

FRIGGIN'S IN THE RIGGING

Twas on the good ship Venus, My God you should have seen us,
The giure head was a maid in bed, and the mast a raryant penis.
(CHORUS)

Frigging in the rigging, Frigging in the rigging, Frigging in the
rigging, There's fuck all else to do.

The skipper's wife was Mabel, Whenever she was able, She'd fornicate
with the second mate, Upon the chart room table.

The crew they were hard cases, You could see it in their faces,
They took to frigging in the rigging, For want of better places.

The cabin boy's a nipper, His name was Jack the Ripper,
He lined his ass with broken glass, And circumcised the skipper.

So drunk with exaltation, We reached out China station,
and sunk a junk in a sea of spuk, caused by mutual masterbation.

THERE ARE NO FIGHTER PILOTS DOWN IN HELL

Oh there are no fighter pilots down in hell (twice)
The place is full of queers, navigators, bombardiers, but there
are no fighter pilots down in hell

(Oh there are no bomber pilots in the fray, They're all in USO's
wearing ribbons, fancy cloths, but there are no fighter pilots
down in hell.

When a bomber jockey walks into a club, When a bomber jockey walks into
a club, He doesn't drink his share of suds, All he does is "flub his dub.
But there are no fighter pilots down in hell.
Oh the bomber pilots life is just a farce, the bomber pilots life
is just a farce. The automatic pilots on, reading novels in the john,
But there are no fighter pilots down in hell

Oh there are no fighter pilots up in group, there are no fighter
Pilots up in group, The place is full of brass, sitting on their
fat ass, but there no fighter pilots down in hell.

Oh the bomber pilot never takes a dare, the bomber pilot never takes
a dare, His gyros are uncaged and his women overage,
But there are no fighter pilots down in hell.

Oh there are fighter pilots in the states, there are no fighter
pilots in the states, They're all on foreign shores, making mothers
out of whores, but there are no fighter pilots down in hell.

Oh there are no fighter pilots in Japan, there are no fighter pilots
in Japan, They're all across the bay, Getting shot at every day,
but there are no fighter pilots down in hell.

Oh its naughty, naughty, naughty, but its nice, If you ever so it
once you'll it twice. It'll wreck your reputation, but increase the
population, but there are no fighter pilots down in hell.

ZOOT SUITS AND PARACHUTES
Tune Ball Bottom Trousers

Once there was a barmaid, down in Brewery Lane, Her master was so kind to her, her mistress was the same. Along came a pilot handsome as could be, He was the cause of all her misery.

(CHORUS)

Sings, zoot suits and parachutes and uniforms of blue, He'll fly a fighter like his Daddy used to do.

He asked her for a pillow to rest his weary head, She led him to the bedroom and tucked him into bed, and she like a silly girl, thinking it no harm, Climbs in bed beside him just to keep the pilot warm.

No early in the morning before the break of day, A 5 lbs note he handed her, and this to her did lay, Take this my darling for all the harm I've done, For you may have a daughter and you may have a son. And if you have a daughter put ribbons in her hair, and if you have a son get the bastard in the air.

Now the moral of my story as you can plainly see, Is never trust a pilot an inch above your knee, The barmaid trusted one and he went off to fly, Leaving her a daughter to help the time go by. Singing zoot suits and parachutes and uniforms of blue She'll never fly fighter like her Daddy use to do.

KIMPO SONATA

Oh I was sent to Nellis, oh I was sent to train, I learned how to bomb and strafe, from an aeroplane, oh I sent to Kimpo to be a killer too, But all I get is a bunch of SHIT from you and you and you I know a fighter pilot, no smile upon his face, and many a time I heard him say-----I HATE THIS FUCKING PLACE.....

THE MAN IN THE MOON

I wish all the girls were like little white rabbits, and I were a hare I would teach them bad habits.

(CHORUS)

Oh roll your leg over, oh roll your leg over, oh roll your leg over the man in the moon.

I wish all the girls were like bricks in a pile, and I were a mason I'd lay them in style

I wish all the girls were like bells in a tower, and I was a clapper I'd bang them by the hour.

Oh if all little girls were like fish in the ocean, and I were a whale I would teach them notion.

Oh if all little girls were like fish in the river, and I were a sandbar, I'd sure make them quiver,

Oh if all little girls were like sheep in the pasture, and I were a ram I'd make them run faster.

Oh if all little girls were like little red vixens and I were a fox I surely would fix 'em.

Oh, if all girls were like Hedy Lamarr, I'd try twice as hard and get twice as far.

Oh, if all little girls were like cows in the clover, and I were a bull, I would chase them all over.

GOR BLIMEY

Monday I touched her on the ankle, Tuesday I touched her on the knee,
And Wednesday after mass, I lifted up her dress, and Thursday her
chemise, GOR BLIMEY. Friday I put me hand up on it, Saturday she gave
me balls a twack, and it was Sunday after supper, I rammed the ol' boy
up her, and now I'm paying school boy a week, GOR BLIMEY.
I don't to be a hero, I don't want to go to war, I'd rather hang
around Picadilly underground, living off the doings of a high class
laydie, Don't want a bullet in my backside, Don't want me buttocks
shot away, I'd rather live in England, In jolly jolly England,
and fornicate my fucking life away, Call out the army and the navy
call out the rank and the file, Call out the bloody Territorials,
They'll face danger with a smile, GOR BLIMEY, Call out the members
of the old home guard, They'll keep England free, You can call out
me mother, me sister or me brother, but for Christs sake,
DON'T CALL ME.

BANG IT INTO LULU

Some girls work in factories, Some girls work in stores,
My girl works in a hotel, with forty other whores,
(CHORUS)

Bang it into Lulu, Bang good and strong
What'll we do for hanging, when Lulu is dead and gone.

Wish I was a Pisspot, under Lulu's bed, and every time she stooped
to pee I'd see her maiden head.

Lulu had a bady, she had it on a rock, she couldn't call it Lulu
Cause the bastard had a cock.

Lulu had a baby, She named it Swampy Jim, She threw him in the
pisspot to teach it how to swim.

MY GOD HOW THE MONEY ROLLS IN

My father makes rum in the bathtub, my mother makes two kinds of gin,
My sister makes love for a living, my god how the money rolls in
(CHORUS)

Rolls in, rolls in, my god how the money rolls in, rolls in,
Rolls in, rolls in, My god how the money rolls in.

My brother a postman may he slaves little girlies from sin,
He'll save you a blonde for five dollars, my god how the money rolls in.

My uncle paints real Frenchy postcards, my auntie she poses for him
Her costume cost her a penny, my god how the money rolls in.

I tried making all kinds of whiskey, I tried making all kinds of gin
I tried making love for a living, my god the condition I'm in.

Sin, gin, sin, gin, my god the condition I'm in, I'm in

Sin, gin, sin, gin, my god how the money rolls in

My father, he died in his bathtub, My mother, she died of her gin,
My sister she married my brother—MY GOD WHAT A MESS I AM IN****

FIGHTER PILOTS HYMN

We fly our fucking Sabre jets at 40,000 fucking feet, We fly our
fucking Sabre jets thru the rain and snow and sleet, And those we
think we're flying south, We're flying fucking north, and we make
our fucking land fall on the Fifth of fucking Fourth.

(CHORUS)
Glory, Glory, Hallelujah, Glory, Glory, Hallelujah, Glory, Glory,
Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah.

fly those fucking Sabre jets thru the trees and corn and wheat, And
tho we think we fly with skill, we fly with fucking, But we don't give
a fucking damn or dare a FUCKING FUCKING.

Soft and slow
He took her to the burial ground, He took her to the burial ground,
He took her to the burial ground

LOUD

~~AND-THEN-HE-~~

Thought he'd have another round, Thought he'd have another round
Ha, ha, ha, ho, ho, ho, -----HORSESHIT, HORSESHIT.

WOODPECKER SONG

I....put my finger in the woodpecker's hole, And the woodpecker
said: God Bless my Soul---Take it out---Take it out---Take it out
---REEEEEEEEEEEEEmove it.

So....I took my finger out of the woodpecker's hole, and the wood

REEEEEEEEEEE verse it.

REEEEEEEEEEE verse it

Roooooooooooo take it.

REGULAR AIR FORCE

Here's the regular Air Force, They have such a wonderful plan
They call up the god-damned RESERVIST, Whenever the shit hits the fan
(CHORUS)

Fight on. Fight on. Fight on Regular Air Force---Fight on, fight on
(REFEAT)

Here's to the Regular Air Force, with medals and badges galore,
If it weren't for the god-damned Reservist, Their ass would be
dragging the floor.

They call up every old pilot, they call up every young man.
The Reservists get sent to Korea, The Regulars stay in Japan.

They called up a dozen more squadrons, Staffed by a Regular class,
But when it came time for promotions, The Reservists got jabbed in
the ass...

THE SCOTH WEDDING

Oh the King was in his counting hourse, counting out his wealth
The queen was in the bedroom, playing with herself.

(CHORUS)

Singing I'll do ye this time, I'll do it noc, the men that did it
nighly, could na do it noc.

Oh the bride was in the bedroom, Explaining to the groom, The vagina
not the rectum, Is the entrance to the womb.

Oh the parson's wife, so she was there, Seated fown in front
Awreeth of roses round her neck and a carrot up her cunt.

Oh the village parson, oh he was there and very surprised to see,
Four and twenty maidenheads hanging from a tree.

Oh the parson's daughter, oh she was there Sae had them all in fits
Diving off the mantlepice and landing on her tits.

There was fucking in the laylofts fucking in the ricks
You couldn't hear the m sic for the slushing of the pricks.

There was fucking in the barley fucking in the oats
Some were fucking sheeps and some were fucking goats.

There was fucking in the hallways fucking on the stairs
You couldn't see the carpet for the come and curly hairs

Oh the village idiot, Oh he was there seated by the fire
Amusing himself with an Indea rubber time.

Oh the village blacksmith, of he was there his hammer and his awls,
Talking to the countess and showing off his balls

Singing balls to your partner You ass against the wall
If you never got laid on Saturday night you'll never get laid at all.

COME ON AND JO IN THE AIR FORCE

Come on and join the Air Force, we've a happy band they say,
We never do a lick of work, just fly around all day, while others work
and study, and soon grow old and blind, we take to the air without a hard
care and you will never mind.

(CHORUS)

You'll never mind---you'll never mind, so come on and join the Air
Force and you will never mind.

Come on and get promoted--as high as you desire, You're riding on a gravy
train if you're an Air Force flyer, Just bout the time you get to general
you'll find you'll -----Your wings fall off, the dough rolls in
But you will never mind.

You take it up and spin it, and with and awful tear, Your wings fall
off, the ship spins in, but you will never, care, For in about a minute
Jack, another pair you'll find, You'll dance with Pete in an Angel's suite
But you will never mind.

While flying o'er the ocean, you hear your engine spit, You watch the
prop come to a stop, the God Damn thing has quit, The ship went flost and you
can't swim, the shore is far behind, Oh what a dish for the crabs and
fish, But you will never mind.

I fly up to the Yalu, in my F-86, and here's one thing that you can send
to congress in you TWX, I've only got one engine Jack, and if that bastards
quits, it will be up there all by itself, cause I will shit and get.

And if some wily Mig 15 should shoot you down in flames, Don't sit
around and belly ache and call that bastard named, Just hit the silk,
its cream and milk and pretty soon you'll find, There is no hell and all
is well and u u will never mind

Oh, your ass hole's like a stovepipe, Nelly Darling, and the nipples
On your tits are turning green. There's a million cracks abounding
On your pussy. Your the biggest fucking bitch that I have ever seen.

There's a yard of lint protruding from your navel, and when you piss
You piss a stream as green as grass. There's enough wax in your ears
to make a candle. So why not take one, OL R, AND SHOVE IT UP YOUR ASS.

I LOVE MY WIFE

I love my wife yes I do, yes I do. I love her truly, I love the
hole she pisses through, I love her baby red lips, her lily white tits
the hair around her ass hole, I'd carry her shit, champ, champ, champ
champ---with a rusty spoon.

SAMMY SMALL

My name is Sammy Small, Fuck em all---My name is Sammy Small, fuck 'em all
My name is Sammy Small, and I've only got one ball, But that's

I see Mollu in the crow, fuckem em all, I see Mollu in the crowd, and I feel so fucking

ICE ON THE RICE

When the rice is in the rice in Old Tsuiki, and the sake in the celler
starts to freeze, When you turn to her and say "My darling deze", then your care turning
just a Soshi NIPPONESE.

LITTLE ANGELINE

She was sweet sixteen, she was the village queen, pure and innocent
Angeline, She never had a thrill, Was a virgin still, but that's
Poor little Angeline.
They say I killed a man, fuck em all, They say I killed a man, fuck em all
Now at the village fair, the squire was there, Masturbating on the
village square, When he chanced to see, the dainty little knee,
O poor little Angeline.

They say I've got to swing, fuck em all, they say I've got to swing
So he raised his hat, and he said your cut, Has been ridden over
and squashed quite flat, But it isn't too far, And I've got my car,
Poor little Angeline.

The parson will call, fuck em all, the parson will come, he will
Now they hadn't gone far, when he stopped the car, and dragged her into
the nearest bar, Where he filled her with gin, To tempt her sin,
Poor little Angeline

When he filled her quite well, He dragged her to a hell, where he attempted
to give her hell, By trying his luck, at a low down fuck,
Poor little Angeline.
